

Barbara M. Tufts Co-Operative Preschool Contract

Parents are the backbone of the Barbara M. Tufts Co-Operative Preschool and a child's most important teacher. Parents are required to volunteer in the classroom once or twice a month. If this is not possible, a substitute such as a grandparent, uncle, aunt, or family friend should be provided. Volunteers in the classroom result in our exceptional ratio of one adult per three children.

Tuition is on a sliding scale so no child is denied access for financial reasons. We are able to maintain reasonable tuition thanks to the church's donation of space and fundraisers. Our annual May Fair is our biggest fundraiser. Every Co-Op family is required to volunteer at least **two hours** of time the day of the fair, as well as participating in the organization and planning prior to the event.

I agree to fulfill the requirements of the above contract.
